9. By checking each box below and signing, I acknowledge my understanding that:

- My Project has at least 20, but no more than 50 piles. Target dimensions for each pile are 4ft x 4ft x 8ft.
- My application must be received by N.C. Forest Service by January 6, 2023.
- My application includes a Fuels Removal Participant Log with each participating homeowner identified by number.
- My application includes a project map with numbered labels of each participant's property, which match the participants by number on the Fuels Removal Program Participant Log.
- Funding is competitive. Preference will be given to Firewise USA recognized communities in good standing, those assessed with high risks, first-time applicants, communities within Community Wildfire Protection Plan (CWPP) Areas of Concern, etc.
- Incomplete applications will not be considered.
- I will be notified by the N.C. Forest Service upon acceptance into the Fuels Removal Program.
- I will be notified by the N.C. Forest Service of my site's debris removal dates once contracts are awarded to contractors.
- I (or my designee) must be available to help coordinate with contractors on each participant's fuels removal within my project.
- All debris must be cut and piled **BEFORE** a contractor arrives onsite.
